WHY BYOD?

Lavalla Catholic College has a strong tradition of supporting learning with modern Information Communication and Technology.

Learning environments supported by student centered model of customised mobile technologies, are an effective means of fostering student learning.

Students are encouraged to explore a range of applications that best suit their individual learning needs.

THE COLLEGE WILL PROVIDE

- A reliable wireless networking infrastructure with access to online learning resources and tools.
- Educational Software including Microsoft Office 2016, and Adobe Creative Cloud.
- Access to Filtered Internet.
- Lavalla's Learning Management System (LMS) which enables students to access the College's curriculum online.
- Parent Portal- providing parents access to their child's information such as financial and educational reports.
