Agreement to the Marist Child Safe Adult Code of Conduct

The College provides a copy of the Marist Child Safe Adult Code of Conduct to all Staff, relevant Volunteers and relevant Contractors at induction, or otherwise prior to them commencing work at the College. The College also communicates it via refresher training at regular intervals for all Staff, as well as Direct Contact and Regular Volunteers and Direct Contact Contractors.

All Staff, as well as Direct Contact and Regular Volunteers must sign an agreement to adhere to the Marist Child Safe Adult Code of Conduct prior to commencing work at College.

The Marist Child Safe Adult Code of Conduct and Reportable Conduct

Our Child Safeguarding Codes of Conduct outline expected standards of behaviour for all Staff at the College. However, breaches of these Codes of Conduct will not always be Reportable Conduct. For example, a Volunteer accepting a social media 'friend' request from a student would be a breach of our Child Safeguarding Codes of Conduct but may not amount to Reportable Conduct.

These kinds of breaches of our Child Safeguarding Codes of Conduct can be dealt with at the College level and the College does not need to report them to the Commission for Children and Young People.

For more information, refer to our [Reportable Conduct](#) policies and procedures.

Consequences for Breaching the Marist Child Safe Adult Code of Conduct

Staff, including the Leadership Team and Principal, Volunteers and Contractors who breach this Code of Conduct may be subject to disciplinary actions that may result in a range of measures including (depending on the severity of the breach):

- counselling
- increased supervision
- the restriction of duties
- appointment to an alternate role
- suspension
- in the case of serious breaches, termination of employment, contract or engagement.

Where any other member of the College Community breaches any obligation, duty or responsibility within our Marist Child Safe Adult Code of Conduct, Lavalla Catholic College will take appropriate action, which may include issuing a School Community Safety Order against a parent/carer or other Visitor in appropriate cases (for more information, refer to [School Community Safety Orders](#)).

Report Any Concerns

Whenever there are concerns that a child or young person is in immediate danger, call the Police on 000.

Our Child Safeguarding Program includes information for Staff, Volunteers and Contractors about how to identify key indicators of child abuse or other harm and how to report child safety incidents or concerns to relevant external authorities. For more information, refer to our procedures for [Procedures for Responding to and Reporting Child Safety Incidents or Concerns](#).

Student Child Safeguarding Code of Conduct

Purpose

At Lavalla Catholic College we recognise that effective learning can only occur in a secure environment where the dignity, rights and responsibilities of others are known and respected and where standards and rules are fairly and consistently applied.

The Student Child Safeguarding Code of Conduct has been developed to clearly set out standards of behaviour related to child safeguarding that students are expected to abide by.

The College uses a variety of strategies to consult with students when considering the Student Child Safeguarding Code of Conduct. These may include surveys, discussion groups, consultation with the student representative body or other means. For more information, refer to [Participation and Empowerment of Students](#).

Marist Schools Australia Limited has approved the College's Student Child Safeguarding Code of Conduct.

Source of Obligation

Standard 3 of the Victorian Child Safe Standards and Standard 2 of the National Catholic Safeguarding Standards require the College to ensure that children and young people are made aware of their rights, including their right to be safe from harm, and that they are provided with age-appropriate information about safe and respectful peer relationships.

To implement these requirements, Ministerial Order 1359 requires Marist Schools Australia Limited to develop documentation that details the strategies and actions that the College will take to, among other things, inform children and students about all of their rights, including to safety, and to recognise the importance of friendships and encourage support from peers. Our Student Child Safeguarding Code of Conduct is one of these strategies.

Responsibilities

Managing the Student Child Safeguarding Code of Conduct is a shared responsibility between students, parents/carers and the College. All students and families have ready access to support offered by teachers, Staff and College Child Safeguarding Officers.

The Student Child Safeguarding Code of Conduct is based on the College's values.

Raising Concerns About Safety

Whenever there are concerns that a child or young person is in immediate danger, call the Police on 000.

Any person can, at any time contact the Department of Families, Fairness and Housing (Child Protection) if they have reasonable grounds to believe that a child is in need of protection or significant concerns about the wellbeing of a child. Reports can be made:

- during business hours (8:45am-5:00pm, Monday to Friday), telephoning the Child Protection intake service for the local government area where the child resides, listed [here](#).
- after hours, telephoning DFFH Child Protection on 13 12 78.

If a student has concerns about their safety, or the behaviour of others, it's important that they tell a trusted adult. This could be a parent or carer, a trusted teacher or a College Child Safeguarding Officer.

Our Staff are committed to ensuring that all students feel empowered to speak up and be heard, and will take all concerns raised by students seriously and ensure that the student receives ongoing support.

The College provides all students with information about and encourages them to use multiple pathways to raise child safety concerns about or at the College, including concerns about the behaviour of other students. These include informal and formal ways, an 'anonymous' way, and through external child advocacy or child safety organisations.

A child-friendly version of our [Child Safeguarding Complaints Management](#) policy, which explains the different pathways, is available via the College website.
