- If any repairs are required on the instrument during the agreement period that the costs related to this will be added on to the final buyout price and the payment schedule will be extended to suit;
- If we decide to remove our student from the music program before the end of the buyout period, we can either:
 - Pay out the remaining balance and buyout the instrument, OR;
 - Withdraw from this agreement making the buyout agreement void, and any fees paid will be classed as normal instrument hire term fees.
