

Parking Policy

Introduction

The safety of the students, staff and visitors on our school site is of the highest priority.

Parking on our school site is a privilege, which is dependent on the driver's compliance with this policy.

Purpose

The purpose of this Policy is to:

- provide safe access to school for all pedestrians
- provide an orderly arrangement for parking of vehicles on the school site
- acknowledge that parking on the school site, which is private property, is a privilege and not a right.

Scope

This Policy applies to all staff, volunteers and contractors at the College.

Principles

1. Speed

- All vehicles are required to comply with an appropriate speed restriction. As a guide, vehicles should be moving at approximately 20kms per hour (slower if deemed necessary).
- This is vital as many students and staff are on the site.

2. Traffic Flow

Kildare Campus:

- Enter and exit Kosciuszko Street with caution.

St Paul's Campus:

- Pick up and drop off in service lane in Grey Street.
- Staff entrance eastern gates along Grey Street.

3. Parking

Student Pick Up & Drop Off Zone:

- Kildare Campus parking along Kosciuszko Street or Pick Up / Drop Off Bay located on the Kildare Campus grounds.
- St Paul's Campus service road in Grey Street or Grubb Avenue only.

Staff Car Parking:

- Kildare Campus either along Kosciuszko Street or designated car parking on school grounds. These areas are marked for your convenience.
- St Paul's Campus either along the service road or designated staff car parking on the premises. These areas are marked for your convenience.

Students:

- No parking on College premises.
- Do not park in such a way as to obstruct other vehicles from leaving their bays.

4. All staff directives are to be complied with immediately for the safety and convenience of all.

5. All signs and line markings are to be complied with.

- a. Signs are self-evident
- b. Yellow solid lines are no standing zones

6. Failure to comply with this policy may result in the privilege of parking on the school site being withdrawn. The school site is private property.

7. Damage to motor vehicles

- a. In line with insurance recommendations, damage to vehicles parked on school grounds is not covered by the College, you will park at your own risk. The following times apply:
 - Parking in business hours
 - Outside of business hours
 - Weekends / non-school days
- b. Damage deemed the fault of the College will be covered:
 - Mower, machinery equipment
 - Official College motor vehicle
 - Damage caused by a student's actions will be the responsibility of the student and his or her family. The College will assist in mediation only.

8. It is recommended that all staff have the appropriate insurance cover.
