

Uniform Regulations

- The College blazer is compulsory for all students. The blazer is normal school wear for Terms 2 & 3. Although it can be worn as the outer garment all year, it is not required in November, February or March. The blazer is also worn on formal occasions and when students are representing the College regardless of the time of year. The outer garment for the winter uniform is the blazer for all students.
- The length for both the dress and the kilt is at or below the knee.
- Physical Education (PE) uniform is worn only on days when PE is held (and on Sports days) at St Paul's Campus only. It is not permitted to wear PE uniform to and from school for students who attend Kildare Campus. Students in Years 10-12 need to change into their PE uniform for classes only. Members of sporting teams representing the College are required to wear the correct sport uniform.
- Hair should be natural in colour, conservative in style and tied back if long. Males should be clean shaven. Hair accessories, scarves and winter hats are navy blue in colour. Jewellery is restricted to one pair of earrings (small sleepers or studs). One flat ring, one plain neck chain and one plain bracelet only. Make up is to be skin toned and subtle. Any nail polish should be natural.
- The following are not permitted: Chunky jewellery, facial and body piercing, dark and excessive make-up, eye shadow and dreadlocks.
- Variations to the uniform are not permitted and students who do not comply with the uniform policy may be withdrawn from the school yard and/or sent home to acquire the necessary uniform. Students may return to school as soon as uniform regulations are complied with.
- Students are expected to wear the complete uniform with pride at, to and from school. Uniforms need to be in good condition at all times. Where this is not possible, a note, dated, signed and written by a parent or guardian must be presented on the day. Garments worn under the uniform must be white, and must not be visible. Despite a note of explanation, sanctions may still apply. You may be asked to replace any item of uniform that is not in good condition or the correct length.

**College
Uniform
Policy**

The College uniform speaks of pride and for students a sense of belonging to the College. Attention to outward appearance is an important part of a student's social development.

The purpose of the uniform is to foster an academic atmosphere, to sharpen the focus on schoolwork and to emphasise the importance of learning, rather than being preoccupied by fashion trends. Mostly, the uniform minimises unhelpful comparisons among students and promotes equal relationships. It also offers a sense of security to the College community as outsiders are easily identifiable.

Students are expected to be in full uniform at all times and to keep their uniform in good condition.

Sunsmart

The College encourages the wearing of hats while students are outside during the summer months. Sunscreen is available at each Campus office free of charge to students. Sunglasses which are close fitting, not outlandish in design, and with UV protection are permitted. The College does not take

Blazer Order

To reduce the cost of the blazer, it is necessary to be measured and to place an order, together with a \$50 deposit, in January. This ensures its availability for April. The balance of payment is made when collecting the blazer. All fittings for blazers and kilts are carried out at the above suppliers premises. Various payment options are available.

The College Uniform Shop

The College provides a second-hand uniform shop to assist parents to purchase the full uniform at a reasonable price. Given that reasonable care is taken, items of uniform can be sold or donated to the uniform shop. The shop is open usually on the first and third Thursday of the month and for parent convenience some evening sessions are also available. All times are advertised in the College Newsletter and via the College website. The uniform shop is located at St Paul's Campus.
