

## From the Principal

**Mr John Freeman**

Last Sunday marked the beginning of the Season of Advent, that time which the Church sets aside to mark a new liturgical year, a time of preparation for the coming of the Lord at Christmas and a time in which to focus on the many ways in which the Lord breaks into our lives. Advent is a time of joyful waiting, a time of preparation, a time of longing, a time of expectation and hope. However, this should not be a time for being passive. God does not always provide obvious signs and actions. We need to be attuned to that which is occurring around us and to how that can provide opportunity to engage with God and each other. It is easy to despair in times of challenge, but it also an opportunity to pray and reflect on what we can do to be God's love in action.

Well done to the teams involved SSV State Basketball recently – Year 7 Boys, Year 7 Girls and Years 9 & 10 Girls. Whilst we did not achieve the ultimate success all teams acquitted themselves admirably.

We congratulate Brodie Logue and Peter Sung who were recently announced as Kwong Lee Dow Young Scholars. This is a most prestigious award and I personally want to acknowledge the work of Jeananne Brown who worked with and supported these students.

We also congratulate Lexi Savige and Brodie Logue on their selection to be Victorian delegates to the 2016 National Schools' Constitutional Convention in Canberra from 16 to 18 March 2016. Both of these young people are worthy candidates and I also thank Pierina Fenech for the work she has done with these students.

The last few weeks have seen a number of celebrations marking the end of the year, acknowledging success and for our Year 12s their last official function at Lavalla Catholic College.

The Year 12 Graduation Dinner on 20 November was a tremendous success with many people contributing. This was a wonderful evening to recognise and celebrate the achievement of our 2015 Graduates. My thanks to all the families who supported their sons and daughters throughout the years. I am particularly grateful to those families for who this is their last year at Lavalla Catholic College. There was a great number of people involved in making the night a success, but I want to recognise in particular the work of Tamsin McCormack, Brett Van Berkel, Nicole Denovan, Sally Sharp, Katie Lee, and Siobhan Lawler.

# From the Principal Cont.

Last week I represented our school at the launch of the Shared Stories Anthology 2015. This was the tenth year of the anthology, but our first. We had students from every year level represented in the text and our contributions consisted of written pieces and artwork. My thanks to the students, but in particular to Jeananne Brown and Pam Goodall who were very enthusiastically supported by Chris Rea, Renee Eccles and Lisa French. This 572 page book has work from 21 different schools and will part of the official collection of the National Library in Canberra and the State Library of

Victoria.

On Monday, 30 November, we held our Awards Night. This is a time when we recognise and celebrate our students in Years 7 to 11 for their academic, sporting and cultural achievements. We recognised our Year 12s at the Graduation Dinner. Our special guests included the Director of Catholic Education for Sale Ms Maria Kirkwood and the Hon Russell Northe. These nights only occur through hard work and organisation and I particularly wish to acknowledge the work of Annemarie Clarke and her team as well as Kellyann Armstrong, Jorja Whiltshire, Claire Couling, Brett Van Berkel, Tamsin McCormack and Jo Alford.

On Wednesday, 2 December, we held an assembly and liturgy to farewell our Years 7 and 8 students. This was a fitting way to end the year for the students to gather and celebrate what has been a very good year. During that time we presented a large number of very full baskets, full of toys to St Vincent de Paul. This has been a long-standing, generous and wonderful tradition at the St Paul's Campus since 2000. I commented last year on how wonderful this great and generous gift that the students and staff organised and once again be impressed by what has become a thoughtful and community focussed act. Well done to all involved.

I wish the best of success to our Cricket team who will be competing in Marist Cricket Carnival held at St Joseph's College in Hunter's Hill. I have no doubt that the team being guided by Peter Flahavin and Brett Van Berkel will acquit themselves well in every way.

We thank our departing staff for their dedication and wish them all every success and happiness in their future ventures, specifically: Hassan Ahmed, Joanne Alford, Janette Foley, Adam Ozga and Sally Sharp.

I ask that you remember in your prayers Monsignor Bill Caffrey who died very peacefully at O'Mara House Traralgon during the evening of Tuesday 24 November and his funeral was held at St Mary's Catholic Church in Maffra on Tuesday, 1 December. Monsignor Caffrey is well known to many in our community and was a man who made significant contributions to the growth of the Catholic Church in the Diocese of Sale. He was also an uncle of a member of our staff, Dan Caffrey.

Please also remember Mr Paul Bond who passed away from effects of cancer on 20 November and was buried on Friday, 27 November. Paul was well known in the Traralgon community and will be mourned by his wife Cathy, step-daughter Madalynne Lyons (Year 8) – also step-father to Joshua who will join us next year. Paul was also uncle to Bethany (Year 12), Madeline (Year 10) and Angus (Year 7 2016) Hourigan.

We also remember in our prayers Mr John Swasbrick, brother-in-law of staff member Jenny Swasbrick. John died on 23 November in his sleep at the age of 53.

***Eternal rest grant unto them, O Lord, and may perpetual light shine upon them.***

***May their souls, and the souls of all the faithful departed, through the mercy of God, rest in peace.***  
***Amen***

Finally, as this is the last Newsletter of the year, I wish you all a very happy and safe Christmas and holiday and every best wish for 2016.

# Catholic School Renewal

Dear Lavalla Catholic College Community,

Lavalla Catholic College is due for Catholic School Renewal in 2016. A significant outcome of this process will be the development and publication of the Vision, Mission, Goals and the Four Year School Improvement Plan for the College. Furthermore, we will ensure we have in place the elements for the registration requirements of the VRQA (Victorian Registration and Qualifications Authority).

The important first steps of the process has in fact already commenced this year when all staff as well as selected students and families were invited to complete the Insight SRC surveys (Term 3) and the Enhancing Catholic Schools Identity Project surveys (Term 2). The results of these surveys as well as engagement with the members of school community in 2016 will provide important information to:

- Identify the strengths and successes of the College;
- Identify the priorities and key issues facing the school; and
- Provide valid data on which to base a realistic and attainable Four Year School Improvement Plan.

The analysis of the data and reflection on the engagement process with the community should position us to:

- Strengthen Catholic identity within the community;
- Improve school and student performance and wellbeing;
- Build leadership capacity; and
- Ensure sustainability and growth.

The Catholic School Renewal process will take place throughout 2016 and you will be kept up to date through the Newsletter of its progress and opportunities to contribute.

John M. Freeman  
Principal

# St Paul's Campus Update

Ms Lee McKenzie - Campus Director

Last week we farewelled the Year 9 students who have now moved across to the Kildare campus to continue their educational journey. We marked this time of transition with a number of activities including a liturgy and a final campus assembly. During the final assembly Georgia Thompson, a Year 9 student who is leaving us to return to New Zealand, presented the College with a section of a traditional Tongan tapa. We are most grateful to Georgia and her family for this beautiful gift. Thanks to Mrs Barrett and Mr McKenna arranged a meaningful and appropriate day for the students. Thanks also to the Year 9 students who conducted themselves well on the day.

## Transition

As the Year 9 students moved to Kildare on Tuesday, Years 7 and 8 moved into the next year level. By running this three day transition program we have been able to sort through various issues with regard classes and subjects. The Year level learning leaders have spent considerable time constructing the classes for 2016. The major focus of these class groupings was to develop functioning, working classes. While for some students changes away from friends can present a challenge it is important to remember that this too is a learning opportunity. If your child is disappointed about the class change you might find the following from Michael Gross Parenting ideas helpful.

To help children handle disappointment try the following four strategies:

1. **Model optimism.** Watch how you present the world to children, as they will pick up your view.
2. Tell children **how you handle disappointment.** Not only is it reassuring for children to know that their parents understand how they feel but they can learn a great deal by how their parents handle situations.
3. Help children recognize times in the past **when they bounced back from disappointment.** Help them recognize those same strategies can be used again.
4. **Laugh together.** Humour is a great coping mechanism. It helps put disappointment in perspective. It helps them understand that things will get better. They always do.

The stronger the wind the stronger the trees is the notion here. Supporting kids to handle life's hurdles helps them to develop a lasting sense of resilience, which is essential for good mental and emotional health.

<http://parentingideasschools.com.au/Helping-Parents/Helping-kids-deal-with-rejection>

## Year 7 2016 Orientation Day

Students enrolled for Year 7 2016 will be joining us on the 8th of December 8:45- 3:15. Parents usually drop students off on this day and are then invited to a brief welcome address and information session if they are able.

Students will wear sports uniform from their current school or suitable casual clothes.

# St Paul's Campus Update cont.

## Farewell

**M**s Jo Alford is leaving us to take up a position in another school. I would like to thank Jo for her tireless work with our students, parents and staff. Jo is a familiar sight in the playground at recess and lunch, chatting with students and getting to know them. Jo has worked gently with our anxious students, firmly with our misbehaving students and encouragingly with our despondent students.

She has offered wise counsel and a listening ear to parents and students and has been the driver of the precepts of Positive Psychology across the College. Her work with our students has helped them all to thrive and flourish. Thank you Jo, go with our best wishes and gratitude.

## Lost Property

**P**lease be advised that there is a great deal of lost property at the St Paul's Campus including a range of clothing, laptop chargers, jewellery, ipods, glasses (prescription) etc...

Any uniform items not collected by Tuesday 15th of December will be sold at our 2nd hand store and all other items will be donated to charity.

## Christmas

My thanks to all the families who have worked with us this year. Our common goal has been the education and wellbeing of your children and I believe that with your support all our students have learnt, developed and grown through the year.

The staff members of the St Pauls campus wish all families joy and peace at Christmas. As the world is in turmoil it is vital that we celebrate the peace of Christ and endeavour to let it shine in the world.

**Peace on Earth to people of good will.**

# Faith & Ministry Matters

Mr Chris Roga - Director of Faith & Ministry

The School year is fast coming to an end. We wish all our families a safe, happy and restful holiday.

## Remar

Blue solidarity Camp, December 2015: Grace Ware, Sam Rossiter, Lucy Smart, Naomi Etheridge, Jess Clarke, Leo Ma and Matt Bodinnar, Mrs Justin and Mr Roga are going on the Blue Solidarity Camp from 1st to 4th December to Melbourne. They will stay at 'The Nunnery' and help out at Sacred Heart Primary School, Fitzroy, the 'House of Welcome' and the Exodus community in Heidelberg. They will cook for themselves, use public transport as far as possible and look after themselves and each other. It promises to be an exciting experience for these young people, a time for them to bond together, to do meaningful work and make a difference.

Remar Embark Camp, February 2016: The Remar Embark Camp will be held at the Summit from Friday 5th to Sunday 7th February, 2016. All Remar rowers are expected to attend. These include the Year 12 Gold Rowers, the year 11 Blue Rowers and the Year 10 Red rowers. The arrangements are being finalised.

Blue Solidarity Camp, March 2016: The Blue Solidarity Camp is planned for Lytente Apurta, an indigenous settlement outside Alice Springs from 12-18 March, 2016. Preparations are underway. Mr Shane Lebbe and nine rowers will work with the young people there in the school and in the community. They will live in the guest accommodation, cook for themselves and experience living in an indigenous community for a short.

## Marist Student Leadership Camp

The four college Captains, Nick Duncan, Erin Roberts, Isabella Lappin and Lachlan Spiteri, accompanied by Ms Katie Lee, will attend the Marist Student Leaders Camp at Amberley, Melbourne, from 29 November to 1st December. Traditionally this event has attracted student leaders from about 8 different schools. Besides exploring leadership from a student and Marist perspective, the young people network with other leaders and make some good connections. It is expected that these four leaders will help train others in becoming good leaders for the college.

## Christmas Hampers

The tradition of giving Christmas Hampers to St Vinnies to be given to local families in need continues. Each student at St Paul's contributes towards a hamper that the LA creates. These hampers go a long way towards making Christmas joyful for some families.

# Faith & Ministry Matters cont.

## Christmas 2015

*Christmas is approaching. There will be lights, parties, Christmas trees and nativity scenes... it's all a charade. The world continues to go to war," Pope Francis said in a mass at the Vatican last Thursday.*

The outlook is quite bleak; acts of terrorism, escalating wars, millions of people displaced and seeking asylum, a never-ending cycle of troubles, with leaders and governments seemingly unable to find solutions. Indeed, we seem to live in dark and uncertain times.

But that is not the whole picture. In our own families and circles, we know of numerous cases of quiet, unsung acts of generosity and care. The stories of Remar, Christmas hampers and Leadership Training are but a few current examples of the truth that humans have an immense capacity for giving.

The only solution to hatred is compassionate love. Babies and children bring this out best. And that is the value of Christmas. Matthew says, "the people living in darkness have seen a great light; on those living in the land of the shadow of death a light has dawned (4:16)." There is always hope. There is always goodness. We need to pay attention to them.

The story of the first Christmas is an example. In those uncertain times a Roman emperor orders a census and King Herod ruthlessly kills anyone, including children, who poses a threat. In those uncertain, very like ours, Mary and Joseph sought refuge, like so many people today, and Jesus was born in a stable in Bethlehem. Significantly, one of the infant's titles is "Prince of Peace".

Let us prepare for this Christmas by being peace makers, at home, at work, with ourselves, family, friends and strangers. We could listen to Handel's 'Messiah', or watch 'it's a Wonderful Life', or 'A Christmas Carol', or even read the story of Christmas from Luke's gospel (chs. 1 and 2 only) to get sense of the true joy of Christmas, beneath the tinsel and fairy lights, beyond the gifts and food. Peace and joy starts with each of us this Christmas, to banish darkness.

# Sport Report

Mr Dwayne Tibballs - Sports Co-Ordinator

## SSV State Basketball Championships

Lavalla Catholic College had its two year 7 basketball teams (girls and boys) and its intermediate girls' team attend the recent SSV State Finals held at the Melbourne Sports and Aquatic Centre in Albert Park.

The competition was strong with the boys winning one game on the Monday and the girls winning two games on the Tuesday.

In reaching the State Championships, the boys were able to lay claim of being the fifth best team in the state while the girls claimed third in the state.

The two teams were pitted against Sports Academy Schools such as Rowville and Maribyrnong who are two of Melbourne strongest SSV Sports Schools.

Lavalla's students represented the College with great application and the students are to be commended on their performances to get to where they got to.

## T/20 Blast Cricket Championships

Both the Lavalla Catholic College year 8 and year 7 girls T/20 Blast cricket teams have won through to the SSV State Championships with an impressive performance at the Regional Championships staged at Traralgon on Wednesday, November 18th.

The year 7 girls overcome some solid opposition in defeating Nagle College Bairnsdale and Mirboo North Secondary College while the year 8 girls won both encounters against South Gippsland Secondary College.

The winning results enable the two teams to travel to Oak Park Reserve on Wednesday, December 2nd for a chance to claim the SSV State Title.

In the Cricket Victoria competition the Intermediate girls will be joined by the year 7 girls' team to play at the Melbourne Cricket Ground after winning through in the respective year level of competition on Tuesday, November 17th.

It will be a big day of competition and the two teams will be looking to emulate the year 8 girls' team that won the Cricket Victoria State Title in 2012.

## SSV State Tennis Championships

Our year 8 boys and the year 7 boys and girls teams were overwhelmed by strong tennis schools at the SSV State Championships played at the Boroondara Tennis Centre on Thursday, November 26th and Friday, November 27th.

The year 8 boys won against Catholic College Bendigo while the year 7 boys won against Bendigo South East College but both teams could not overcome Box Hill Senior Secondary College or Maribyrnong Sports Academy. Both teams finished fifth in the state of their respective year levels.

# Sport Report cont.

The year 7 girls struggled to match the play of their opponents throughout the day and finished the day with a seventh placing in the state overall.

A wonderful achievement by all students for their perseverance to make it all the way to the State Championships.

## Ola Luczak - Nutritionist Visit

Ola Luczak who is a Sports Nutritionist affiliated with the Victorian Institute of Sports spoke to the students on Thursday 19th of November about healthy eating and the importance of hydration. Ola shared her knowledge with the Year 7 cohort in the morning and in the afternoon sessions shared her expertise with our Sports Enrichment students. She spoke about the importance of protein in repairing muscles and ensuring that an athlete distributes protein during the day to aid recovery and build muscle.

She assisted students in looking closely at their own diet/lunchbox and incorporating ways to improve the contents of them on a daily basis. She discussed the importance of hydration and gave examples of ways to build this into their everyday lifestyles. Students had the opportunity to discuss with Ola their own individual needs and she was able to offer advice share her knowledge.

Ola Luczak will be visiting the college again in 2016 to work closely with our students.

Revolution Spin in Traralgon will be opening their doors to our students on Thursday the 3rd of December to complete two training sessions, one hour on Strength and Conditioning and another hour on Recovery. Our students will be lead by Andrew Crozier who has many years experience in this area. He will also offer advice to our students on career pathways and obtaining opportunities to work in this field. His expertise will continue to be provided to our students in 2016.

# Atlas9 Projects

## Man VS Wild: A Student Reflection

**M**an vs Wild was an exciting photography project that we experienced at Atlas9. Our task was to show the struggle for supremacy between man-made and natural environments. I immediately fell in love with the project. Our first task was mainly an icebreaker for the project, to give us some experience with simple photography techniques and of course with photo editing. Our photographic theme was man fighting with wild. We spent lots of time in class planning and preparing for our excursion to Walhalla where our shoot took place.

During the day of the photography shoot in Walhalla, I didn't see the day as more work for my project that I was desperate to achieve a good grade for, it felt like I was doing something I loved and enjoyed every minute and second of it.

On the day of the exhibition itself, I was amazed and flabbergasted by the final product from not just my group, but from all the different Man vs Wild groups. I was astounded to see how something as simple as buildings, culture, nature, man-made structures, could be captured and translated into something breathtaking and artistic. One of my best friends and I were asked to play at the last minute for the amazing guest that came to see the lovely photos that were displayed at the exhibition, it was truly a sui generis and wonderful experience.

Even though, like any other group you work with, you're bound to face some challenges and obstacles along the way, there could be disagreements, improper time management or misunderstandings. But either way, I'm authentically glad that I took on this project, it has truly helped me develop my photography and photo editing skills, and establish my love for photography further.

# General Notices

## Local Sporting Champions Program

**R**ussell Broadbent has written to the College to bring to our attention that the second round of the grant program available for young people - Local Sporting Champions will close on 29 February 2016.

The Local Sporting Champions program is an Australian Government initiative designed to provide financial assistance for young people aged 12-18 towards the cost of travel, accommodation, uniforms or equipment when competing, coaching or officiating at an official national sporting organisation (NSO) endorsed state, national or international sporting championships or a School Sport Australia state or national championships. There are specific criteria and applications must be submitted online.

Details can be found at: <http://www.ausport.gov.au/champions>

## Scholarships

**A**pplications for student scholarships are now open at [www.eduweb.vic.gov.au/scholarships](http://www.eduweb.vic.gov.au/scholarships).

- Some scholarships require applicants to be in financial need. This is evidenced either by the parent/guardian holding a Health Care Card, a Low Income Health Care Card, a Pensioner Concession Card or the student receiving the Youth Allowance.
- The closing date for applications is 1 February 2016.
- Please note that the principal must verify the student's 2015 end-of-year results for the application to be valid;
- The Year 12 scholarships that are available include the Alice Jennings Scholarship for a Koorie female completing her last year of VCE/VCAL, the Glen Moorhead Memorial Scholarship, and the Ken Matthews Scholarship.

## Canteen Volunteers

**I**would like to send a big thank you to the dedicated team of volunteers that have given up their time to help in the canteen for 2015. I wish you all a safe and happy Christmas time and will see some of you again in 2016. For those of you that are leaving me after a long period of commitment to the canteen I wish you well and thank you again for your service. I could not have done it without you! God bless.

If there is anyone out there that would like to volunteer for 2016 you can contact me on 0488748131 your help would be highly appreciated.

Warmest regards  
Allison Farley.
