

From the Principal

Dear parents, teachers and students

For God so loved the world that he gave his only Son so that everyone who believes in God may have eternal life. (John 3: 16)

Welcome back to the start of Term 2. With the Easter message still fresh in our minds, Mr Hansen's sharing of a part of his journey while on the ancient Spanish pilgrims trail reminds us of our human potential. We should all strive to meet that potential.

ENROLMENT TIME

By now, many of you will have seen our advertisement on the television. While the advertisement has no script or words, I believe that it says much about our fine College. Congratulations to Ms Lee McKenzie for her work in developing this. This is an important time for the College. For those families who have siblings not enrolled in Catholic Primary Schools, please ensure that you make contact with Mrs Jean Jennings at St Paul's Campus as soon as possible.

GIFTED PROGRAM

As a part of our Gifted Program at Year 9 we have promoted and funded three students to attend a 4 day camp at Phillip Island Nature Parks. The aims of the camp are to educate and promote coastal awareness through field work study and conservation. This year we have 3 students who have been successful in their application. Congratulations to our successful candidates: Bianca Gawith, Jack Beaglehall and Anthony Wiebenga. They will represent Lavalla Catholic College by becoming Coastal Ambassadors for 2011.

FULL WINTER UNIFORM

All students must be in full winter uniform Monday 9th May. Please take time to ensure that all articles of clothing fit and are ready for the changeover. With the colder weather fast approaching, we sometimes see students wearing items that are not part of the College uniform. Scarves must be navy blue. Our young ladies need to ensure that their kilts are at or below their knee, while all students need to check that their winter shirts can be buttoned up to facilitate the wearing of the tie. It is important that we all understand the dignity that goes with wearing the uniform well.

MUSICAL

It was a privilege to sit in the audience on Wednesday night and watch so many of our talented student entertain a jam-packed theatre. What a fantastic production. Well done to all of our students who were involved in "Alice in Wonderland". Your hard work and dedication over the many months of rehearsals certainly paid off. While we will recognise our students in the coming weeks, I would like to take this opportunity to once again congratulate our Musical Director Team: Ms Heather James, Mrs Lisa Williams and Mrs Emma Mancer.

Yours faithfully

Marco DiCesare
Acting Principal

Lord of life,
we pray for all who
bring your word of life
as a light to those in
darkness...
for those who bring
your word of peace
to those enslaved by
fear...
for those who bring
your word of love
to those in need of
comfort.

Lord of love and Lord
of peace,
Lord of resurrection
life,
be known
through our lives
and through your power.

Christ the Lord is risen
to-day!

THE WASHING OF THE FEET... A POST EASTER REFLECTION

By Mike Hansen, Director of Faith and Ministry

O Cebreiro is a small village in isolated high country just over 160 kilometres from Santiago in Spain. The spot has been occupied since ancient times, but this tiny hamlet 1,293 meters atop the Cebreiro Pass into Galicia owes its fame to the Pilgrim's Way and the Eucharistic miracle which occurred here in the 14th century.

Tradition has it that a weary priest was celebrating Mass in the little village church one winter's day. A peasant from a nearby village, having fought his way to the top of the mountain through a fierce snowstorm in order to attend Mass entered the church just as the priest was performing the consecration. The priest insulted the peasant's faith and ridiculed him for having come all the way to the top of the mountain in such severe weather in order to witness a non-existent miracle. At that very moment, the bread and the wine on the altar were literally transformed into flesh and blood.

I passed through O'Cebreiro on my pilgrimage to Santiago and made a point of stopping to see the wonder of the original chalice and paten. It is astonishing that these articles could have been kept safe for so long... over seven hundred years. Standing alone in the side chapel where they are still preserved I was struck by the literal simplicity of the miracle. How does one make sense of this event for today's world? My mind drifted back to the evening prayer that had taken place the night before at a little village called La Faba, some six kilometres from O'Cebreiro... for me, it is here that the real miracle of the Body of Christ took place and helps me make sense of the 14th century story.

Late in the afternoon, a Franciscan monk arrived to lead night prayer in the rebuilt church next door to the parish hostel. After a few introductory prayers in Span-

ish and some quiet time for personal reflection, the priest indicated that he wanted four volunteers to move forward to the front. I volunteered and sat in a pew with three other pilgrims facing the rest of the group.

To my surprise the priest suddenly produced a large bowl, towel and pitcher of water. He bent and poured warm water over the foot of the pilgrim on the end of the line, massaged the toes, sole and arches gently and thoroughly, towelled the foot down... then kissed it. It was not just a cold, symbolic kiss but a full embrace: foot held gently in two hands and the head lowered slowly and lips firmly planted.

The action passed down the line and the woman next to me washed my calloused and smitten foot and then gently towelled it down. I turned to the young Spaniard on my left and did the same to him. His foot was somewhat swollen and his big toe nail was black. He winced once or twice as I massaged his heel and toes. I dried off his foot, bent and placed my lips on the skin of his instep. Rarely have I felt such a strong connection with another human being, and a complete stranger at that. My action was a recognition of his self-giving on the Camino, a reverence to his desire for transformation and a humble acknowledgement of the work of the Spirit of God in the life of every pilgrim on the way to Santiago.

A kiss is such a simple yet profound action.

Perhaps this is the power of the miracle of O'Cebreiro ... God is made flesh in the power of simple self-giving actions: the breaking of bread, the pouring of wine and in the washing and kissing of feet. For where is God but in the transforming action of human endeavour! All our desire for wholeness is blessed and confirmed by God and our communal actions are alive with the Spirit of the Holy One. Nothing we do with a clean heart is lost but gathered together as a sign of Christ's presence and as gracious gift to our human potential.

Be of good heart for the Lord is present.

Last Spring Mike Hansen walked the ancient pilgrim trail across northern Spain to Santiago de Compostella

Greetings from The Presentation Campus!

Welcome back to term two.

Here at The Presentation Campus many changes and events are occurring. We would like to congratulate Mrs Kimberley Gee (nee Stewart) and Mrs Alex Lay (nee James) on their marriages during the school holidays.

We welcomed our new Master Survivor Program group of students to the campus with a Year 9 "Getting to know each other day". This was a great opportunity for our year 9 students to meet and participate in activities with St Paul's MSP students. A number of friendships were formed and renewed.

On Friday the MSP students will be attending The Summit. It is a day where the students will set goals and be challenged.

For many years the Parents and Friends group for Presentation Campus have worked hard and been involved in many of the events being run by the campus. At the recent AGM Mrs Irene Bramstedt tendered her resignation from the Parents and Friends Committee after many years of loyal service. We would like to thank her for her tireless efforts and dedication to the improvement of the Presentation Campus.

Congratulations to the winners of our Easter Raffle, drawn on the last day of term 2:

1st Mrs J. Dingwall

2nd Ms A. Bianconi

and 3rd Mr T. Wilson

Thank you to all who supported this Presentation Campus Parents and Friends fundraising event.

ANZAC day is a day for all to pause and remember what others have sacrificed for us. We thank our students who represented us at the Moe and Newborough/Yallourn ANZAC ceremonies:

Melanie Renninson

Mersina Gelagotis

William Stimson

Thomas Wilson

Tyler Briggs

We thank them and their families for making the time to attend these services.

Congratulations to Frida Drysdale who during the holidays, competed in the Youth Archery National Championships with over 105 students representatives from Singapore, Australia and New Zealand. Frida gained Bronze for Target and Field and Silver for Clout. What a great result!

This week we are welcomed local Grade 6 students to the Campus. They are participated in an immersion day of what it is to be a Presentation Campus student. They participated in activities including and Amazing race, dance session, Art and Food.

On Monday The Presentation Campus is open for our Twilight Session. From 4.30 - 7pm parents of Primary Students are invited to look around the campus. It is a wonderful opportunity to speak to staff and students about subjects and The Presentation Campus in general. We extend an invitation to all, particularly parents of Year 9 students to see the Master Survivor Program in action.

Mrs Tamsin McCormack
Presentation Campus Director

By Lee McKenzie - Acting Campus Director

The beginning of term 2 saw students return and get straight down to work. The Yr 10 students are feeling much more at home on the campus and the students studying unit 3 subjects are very focused.

We welcome back Mr Bill Eagle and Mr Mark Judd from Long Service Leave. Mr Ernie Rijs has also re-joined the staff. Emma O'Brien found time during musical rehearsals to marry over the holidays and returns to us as Mrs Emma Mancer. Congratulations.

DEBUTANTE BALLS

At the end of term 2 we ran two successful Debutante balls. It was particularly pleasing to note that our College Leaders gave their time freely to prepare for the evenings and to mece the event. My thanks also to the committee members who worked so diligently to ensure that the nights were well organised. These are significant events and take months of preparation from the Committee and the students who participate. They are an opportunity for parents and students to socialise in a formal setting and for our young people to learn about and extend their repertoire of appropriate social behaviours.

LATE ARRIVALS

Please be aware that is important that students arrive on time to school. Whilst I appreciate the pressure of a hectic household in the morning, it is vital that your young people learn the good habit of being on time. If this is not possible, it is important that parents write a note of explanation. Students who have a series of unexplained late arrivals will be asked to make up the time.

16 -20TH LA TIME BLOCK 2, INTERVIEWS

Parents of Yr 10 students should expect contact from your child's Learner Advisor to arrange an appointment to discuss your son or daughter's progress and to help him or her establish some new goals.

BRAIN BEE

Congratulations to Lauren Birt and Macey Henderson who have made it through to the Individual Final. A small number of schools have been invited to also participate in the Vic State Team Final. Elisha Price and Mukudzei Rusive - Makura have qualified to be in the team for Lavalla. The final will take place at Melbourne University on the 28th June. As well as the competition, participants are offered a tour of the Medical School's anatomy museum and the neuroscience laboratories at the Howard Florey Institute. Viewing these facilities is a privilege, so the girls are in for a rare treat.

VCAA AUDIT

On Monday 2nd the Kildare campus was audited by the VCAA to ensure that all exam procedures and facilities are in order and compliant with the VCAA quality control. This audit is a regular event and ensures that all students have the opportunity to undertake exams under optimal conditions. As expected, there were no issues to address. This is particularly due to the work of Mrs Kath Beckett who has been our chief

supervisor for many years and who is diligent and methodical in her handing of all the VCAA paperwork and processes. Thanks also to Mr Steve Erdely, VCE Coordinator for his work to ensure the smooth running of the exams. The good news is that everything is in order for the June exams.

85% ATTENDANCE

The following is an email from Annemarie Clarke to the students reminding about the need to ensure that they maintain appropriate attendance.

Dear Students

In order to satisfactorily complete each semester subject you must achieve an 85% attendance.

Please keep in mind the following points:

- ***VET and Curriculum related excursions/activities are recorded as an approved absence***
- ***Involvement in sporting teams is not an approved absence – so you must monitor your participation (Ms Morrow would be able to best advise you on a reasonable level of participation).***

I strongly recommend that you submit parental notes, medical certificates, dentist certificates or appointment cards especially for ongoing treatment.

AVOID UNEXPLAINED ABSENCES

Your LA Teacher will be able to provide you with data if you are under the 85% attendance requirement in any subject (up to 4th May 2011). Talk to them!

Your subject Teacher can provide you with ongoing % data for their subject – Talk to them!

If there are any extenuating circumstances that I should be aware of or if you have any queries PLEASE TALK TO ME!

***Mrs Clarke
Welfare Leader***

MOTHER'S DAY

We wish all the mothers and grandmothers in our College Community a joyous Mother's Day. May the day be full of expressions of love and appreciation from those you hold dear. We pray that like Mary, all Mothers strive to be a source of love, gentleness and calm in their families.

***May the blessing of the Divine
Be an especially bright benediction
Upon mothers everywhere
On your blessed day -
On Mother's Day!***

We must begin our Music Department report with a sincere thank you and congratulations to our Senior Choir. For the second year in a row, our choir was invited to sing at a mass at the cathedral in Sale to open Catholic Education Week in our diocese. The mass was celebrated by Bishop Christopher Prowse. All of our students were wonderful ambassadors for our college and sang superbly. We tend to take hearing our magnificent choir sing a little bit for granted in our own college community. It is always wonderful to see the reaction and receive the feedback of principals and staff from other schools at external opportunities such as these. I'm really pleased to share with you the feedback of Bernadette Tolan from the Catholic Education Office who wrote:

"the choir was fantastic... Well done. Thank you so much for being so accommodating and being such a big part of the success yesterday. I know the Bishop loved what you did. Thank you. Yesterday's success was largely due to your contribution. Thank you! thank you! thank you!"

All of our ensembles are busy preparing for a range of performances in term two. We ask that parents and students take note of the following dates and basic details. Further information will be provided in due course.

Tuesday the 14th – Thursday the 16th of June. Intermediate Concert Band camp

Tuesday the 24th of May. Senior Ensembles Performance Evening. 7.00pm Kildare Hall. Featuring our Senior Wind Ensemble, Senior Jazz Ensemble and Senior Choir

Wednesday the 25th and Thursday the 26th of May. Orchestra Victoria Workshops, Traralgon Performing Arts Centre

Some of our students potentially involved. No action needed

Monday the 20th of June. Year Twelve Solo Performance evening. SPC Lecture Theatre for a 6.00pm start

Thursday the 23rd and Friday the 24th of June. Proposed dates for feeder Primary School visits. Featuring our Intermediate Concert Band, Junior Choir and Junior Jazz Ensemble

Monday the 27th of June. Year Eleven Solo Performance evening. SPC Lecture Theatre for a 6.00pm start

To close our article, I'd like to pay tribute to one of our senior students, trombonist Isobel Weckmann. Late last term, Isobel had a one hour lesson with one of the finest international trombone players of his generation and certainly one of the

outstanding Australian musicians Michael Bertocello.

Michael has performed as a soloist and in orchestras across Europe and America and is a member of the Melbourne Symphony Orchestra. He was very impressed with our Isobel and has invited her back for future lessons this year. It was a really proud day for our College.

Shane Reid
Director of Music

CROSS AGE TUTORING

Cross age tutoring gives students the opportunity to gain access to knowledge and skills from their peers. Experienced students are available to tutor students in a range of differing subjects, such as History, Mathematics, English, LOTE, Physics, Chemistry, Psychology, Legal studies, among many.

The program allows students to bring a different dimension to their learning, receiving knowledge, skills and study habits from tutors in a friendly, relaxed environment after school.

The sessions give students a personalised learning experience, allowing them to ask questions of their tutors and gain a perspective on learning from a student who has experienced education as they are currently receiving.

Each tutor volunteers their time and the service is free of charge.

Cross-age tutoring sessions are held in room 33 at Kildare Campus every Monday and Wednesday after school; from 3:30 – 4:30 pm. All are welcome

Additionally, a cross-age tutoring program will commence at lunchtime in term 2. Students unable to make cross-age tutoring sessions after school will have the opportunity to attend sessions in the library held fortnightly.

***Rhys McDonald
College Captain***

WELCOME TO TERM 2.

During the holidays we celebrated some significant events. This Easter I visited my sister and her family in Sydney. I was quite astonished by the involvement of the young people in the Easter services. The Masses were packed with young people, children, early and late teens, youth and adults. On Good Friday, the Youth group organised a dramatic performance of the 'Stations of the Cross' and the congregation followed avidly. It was quite wonderful to see the eyes of young children opening wide as the story was enacted. According to some parishioners, this is a result of World Youth Day held in Sydney nearly four years ago.

ANZAC Day fell during the holidays this year. However, The college was ably represented by Kayla Massaro and Con Kavadias at the ANZAC Day Parade in Traralgon. They laid the wreath at the cenotaph on behalf of the college. They sacrificed their time to represent the college and we are proud of the way they conducted themselves. We thank them and their families for this generous action.

Last Sunday, the former pope, John Paul II was officially beatified, in front of nearly a million pilgrims, in St Peter's Square in Rome. The crowd - which stretched as far back as the Tiber River more than half a kilometre away - roared in approval. According to Pope Benedict XVI, Pope John Paul II 'opened up society, culture, political and economic systems to Christ'. He inspired youth groups and lay religious movements, built ties with Judaism and Islam and even apologised for the mistakes and sins of the Catholic Church. He also had a significant geopolitical influence. Especially on Poland, East Germany and the coming down of the wall. And just a couple of days ago, Osama Bin Laden was shot by American Navy SEALs in Pakistan. Among these momentous news events, it is good to turn our minds and hearts to Mary. Traditionally the month of May is devoted to Mary, mother of God and our mother. Traditionally, people place floral bouquets at the foot of a statue of Mary and recite the Rosary. For all of us, it is useful to ponder on Mary's qualities of openness, modesty and obedience to God's will and how she would have influenced Jesus. Following her example we could make our corner of the world a better place.

ANZAC DAY

Representing the school at the ANZAC Day March was a great experience. I learned more about ANZAC Day and realized what it meant. I never thought I would march and represent the school (though I wished in my heart that I would) and I was thrilled to do so. While marching in the parade I felt proud, happy and sad at the same time, to belong to the ANZAC tradition. Laying the wreath I felt extremely proud to represent the school and a profound feeling of empathy for all those around me welled up inside. I encourage more people to attend the ANZAC Day ceremony as it is a great experience. (Kayla Massaro, Campus Leader, Year 9)

FANCY FOOTWORK!

'Danceworks' 114 had a fabulous trip to Disneyland. Among them were 14 girls from Lavalla. 'Dance Around the World' selected 'Danceworks' to perform in Disneyland,

California Adventure Park, Universal Studios and outside Madame Tussaud's Wax Museum in Hollywood. The students were rapt to dance at Mickey's Toon Town, while the large stage and lighting at California Adventure Park made it memorable. They found the Americans really friendly. The crowds at the beginning of the show were small, but as the show went on they got larger and larger and larger. This felt awesome. We hope to go on another trip like this soon. (Mikaela Tarraran & Maddie Power Year 9)

NAPLAN TESTING

The National Assessment Program - Literacy & Numeracy (NAPLAN) is on again next week.

All students in Years 7 and 9 will be participating in tests in Reading, Writing, Language Conventions (spelling, grammar and punctuation) and Numeracy.

These tests will be conducted in the mornings of Tuesday 10th, Wednesday 11th and Thursday 12th May.

ALL students are required to provide their own calculator on Thursday for the Numeracy test.

We wish all the students participating good luck

Marist Basketball Carnival, Newcastle

By Rhys McDonald (College Captain)

From the 3rd April – 7th April, 20 student representatives from Lavalla embarked on a trip to Newcastle to participate in the 22nd Marist Basketball carnival, hosted by St. Francis Xavier College. Both the boys and the girls teams looked to continue their success in the carnival from Traralgon in 2010.

Starting off strong, the girls team looked to further the dominance that they had over the majority of teams in the past few years. They started unbeaten in the group stage, with strong performances during these games. They looked to tighten their grip on the carnival in the championship round and did so, however not without a struggle. A clock-beating shot by Shantelle Thorburn provided Lavalla with a nail-biting win over hosts St. Francis Xavier. The girls provided a good brand of basketball against their competitors, reaching the grand final where they were to face Catholic College, Sale. Unfortunately Sale proved to be too strong in the final, with our girls coming out second best, finishing 2nd in the final standings.

The boys team started the carnival slowly; falling victim with two losses on the first day. However, the boys managed to regroup and win two of four games in the pool.

The two wins were by large margins, which allowed us to gain a final place in the Championship Division, relying on percentage to advance. Despite the players stepping up to the harder contests, the competition was too strong, with the team recording one win and four losses in the championship division.

On the final day of competition, the boys were matched up against Burnie in the playoff for 7th position. Despite a late rally from Burnie, Lavalla came out winners and claimed the 7th spot in the final standings. Congratulations to team captains Tayler Brouns and Tom Holt, who were voted into the All-Star Five teams; the 5 best players for the carnival. Congratulations also to Shantelle Thorburn and Matt Royal, who received team Most Valuable Player awards from our two teams.

A special thankyou goes to Ms. Joyce, Mrs. Schroeter, Mrs. McKenzie, Mr. Sizeland, Jaimee Salleh, Laura Pickering, Chris Watson and Ray Sutton for all of your help and support in our success this year.

WINTER UNIFORM REMINDER

All students are to be in full **WINTER** uniform on
Monday the 9th May 2011

**SPRAY JACKETS ARE ONLY TO BE WORN FOR SPORTS
OR OVER BLAZERS**

MALE STUDENT UNIFORM
