

From the Principal

John M Freeman

Principal

This is our last Newsletter for the year.

Christmas is certainly a time of celebration and time to be with loved ones. It is also a time to reflect on the meaning of God entering into our human experience. For me it is a time to remember that Jesus came to us as human being and in his life he experienced what we experience – joy, hope, pain, failure, loss and love. Because of this, we, as Christians, are called to make Christ present to those we encounter – friends and strangers. The action of being visible and providing real experiences of love, peace, generosity, forgiveness and hope are the best gifts we can give to each other. These acts can be encountered from individuals and institutions (made up of loving and caring people).

However, with regard to Catholic institutions given all that has happened over the last few years you would be forgiven for thinking that they have lost sight of the need to care for others. It is disheartening to read official reports and articles in the media about serious failures of trust, but I try not lose sight that there are many more good and just people working in the Church and its various works continuing the work of Christ.

Therefore, I found this recent reflection by Dr Frank Malloy, National Director of Marist Schools Australia a good summary of this reality in Australia today.

Increasingly Christmas as a celebration seems to be losing its roots. A way we might untangle the true meaning of Christmas from the commercial extravaganza, is to consider again and celebrate the real impact of Jesus, 'God-is-with-us', in the world today.

Whilst acknowledging the tremendous work of all the Christian Churches, it is worthy to note the Catholic Church is the largest non-government provider of welfare, health and education services in Australia. Catholic Social Services aids some 450,000 people annually, while the St Vincent de Paul Society's 40,000 members form the largest volunteer welfare network in the country. Catholic Health is the largest non-government provider grouping of health, community and aged care services in Australia. These do not operate for profit and represent about 10% of the health sector in the nation.

Catholic schools educate approximately 760,000 students in more than 1,700 schools, and 37,000 students in Catholic Universities. Overseas development and support through Caritas and other organisations such as Australian Marist Solidarity provide personnel and millions of dollars annually to programmes and emergency relief for communities in need. These are mighty contributions motivated by Jesus, the one we believe remains ever God with us.

Frank Malloy

National Director, Marist Schools Australia

We congratulate our Year 12s on their results. This year we have determined that we will once again award two students as dux of the College and so our Duxes for 2018 are Justin Hough, based on his ATAR of 98.45 and Lily Van Berkel based on her outstanding Aggregate Study Score. Lily scored highly for all her subjects, including a 50 for Sport and Recreation (VCE VET). A fantastic effort in every regard from both Justin and Lily.

We also congratulate Joseph Darling, Yue Ming Loi, Kate Chilver and Anton Tarraran on achieving ATARs of 90 and above.

Also worthy of celebration is that 5.3% of the study scores achieved by our students were 40 or greater.

Finally, please note that we will be inviting back to school all our high performing students to be recognised at an assembly during February, prior to their commencing their studies.

Student Awards

Congratulations to all our students who received awards and recognition for their achievements at the recent Awards Evening and at the Year 12 Valedictory Dinner. Details can be found in this Newsletter.

My thanks to Mrs Tamsin McCormack, Mrs Kelly Murray, Mr Brett Van Berkel and Mr Michael McKenna as well as all staff who assisted in the organisation and production of these nights.

Induction Day

On Tuesday 11 December, our incoming 2019 Year 7 students enjoyed their Induction Day. They made some new friends and quickly familiarised themselves to their new home. Thanks to all who helped them feel so welcome, in particular our Year 7 Wellbeing Leaders, Ms Roma Valentine and Tina Weston as well as our Registrar, Allison Langmaid.

Finally, I wish all in our community a very happy and holy Christmas, a wonderful New Year and a safe and refreshing holiday season.

Staff Development & Community

Lee McKenzie

As we near the end of 2018, it is important to farewell those teachers who will not be back in 2019.

Mr Len Clark, Mrs Jane Doherty, Mrs Rosemary Drenen, Mr Cristiano Grosso, Mr David Moulton, Mrs Birigt Sim, Mrs Jade Smith, Ms Tienielle Talbot and Mr Doug Wright will all be leaving us at the end of the year. The College community thanks them most sincerely for their contributions. Len Clark helped fill the gaps in the Technology area while two of the teachers took Long Service Leave. Jane Doherty stepped into take Food classes when we were faced with a sudden staffing change early in the year. Moving in under these circumstances is not always easy and we thank both of them for their work throughout the year.

Jade Smith returned from parental leave, but faced with the need for her family to re-locate has had to resign. We thank Jade for her work with in the classroom, Remar and as Daily Organiser.

Cristiano Grosso, David Moulton and Tienielle Talbot are all young teachers who have begun their teaching careers at Lavalla Catholic College and who are now seeking experiences elsewhere.

To all these teachers we extend our thanks for their work through the year, and our best wishes for the future.

Thank you

To all the staff who have worked so selflessly with our young people this year. Those who have spent long hours preparing and marking work, those who have been away from family at camps, those who have offered a kind word to a distressed child or parent. Those who have tended the yard, cleaned the classrooms, all of these actions have contributed to the life of the College and the welfare of our students.

Casual Relief Teachers

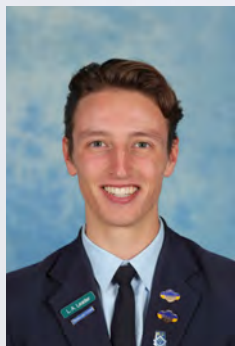

Throughout 2018 the College has made use of a pool of professional and dedicated CRTs. These teachers make it possible for the College to cover teacher absences and ensure that students are still receiving instruction and learning support. We are very grateful to this loyal band of CRTs who make the smooth running of the College possible.

End of Year Awards

Congratulations to the following students in their outstanding efforts for 2018.
