## Key Dates

The combination of the [Courses & Careers Information](#) available on the Lavalla Catholic College website and the Courses and Careers Virtual Advice Sessions will give both Parents and Students an opportunity to find out about the vast curriculum offered at Lavalla Catholic College.

This is an important part our subject selection process for the 2022 academic year.

We urge you to take advantage of these opportunities to assist you in the process of planning a Year 10, 11 or 12 Program of study.

Event	Date
2022 Year 10, 11 & 12 VCAL Applications due:	9 August
2022 Year 10, 11 & 12 VCAL Interviews:	10 – 13 August
2022 Year 10, 11 & 12 Intention to Return Survey due:	13 August
2022 Year 10, 11 & 12 Subject Selections due:	16 – 20 August

### Please note:

- **Forms received after 13<sup>th</sup> August, will be treated as late and the student's subject selections will be initially removed from the "Timetabler" import process.**
- Every effort is made to assign student preferences in each semester. Enrolment in your subject choices is conditional upon class sizes, staff expertise and available facilities.
- Year 11 students are given preference to Unit 1 & 2 VCE and VET units, so a Year 10 student's enrolment at this level is dependent upon class numbers.
- The College timetable is designed based on initial student choices. It should not be assumed that changes to a student's subject selection can be made later, as limitations may exist in the timetable.

How on earth do you sort through the large number of careers that are open to you to choose the right pathway? Of course, you'll have some ideas yourself and your parents will have suggestions too.

As we have such a vast variety of subjects on offer, we have positioned Learning Area Leaders within our College to ensure the smooth running and efficient delivery of the curriculum across all year levels.

Our Learning Area Leaders are there to assist our classroom teachers in the development of best teaching practices and implementation of programs that improve student performance and learning outcomes.

Our Leaders, along with our classroom teachers are there to help guide students to become the best they can be.

If you have questions about the subject offerings and pathways, you may like to ask, our Learning Area Leaders.

## Wellbeing Support

All students in our College should be **safe, happy** and be able to strive to be **successful**.

The wellbeing and safety of our students is a priority and we work proactively to develop, maintain and encourage a caring and orderly learning environment for our students.

The welfare of students in our care is the responsibility of all staff, as we know that good emotional health correlates powerfully with strong academic development.

At Lavalla Catholic College we have two structures for wellbeing support in place to guide your child through their learning journey.

At St. Paul's Campus (Years 7-9) we have a Year Group Structure led by Wellbeing Leaders; whilst at Kildare we have a Vertical House System led by Heads of House.

The role of the Wellbeing Leader / Head of House is to lead Student Wellbeing, general and specific areas of pastoral care, liaise with parents as well as maintain discipline and College expectations within the House.

The role of the Wellbeing Leader / Head of House is to ensure the well-being of each student within the Year Group or House and that each is catered for in keeping with the vision and mission of the College. This includes the necessary support and initiatives to enable each student to develop a sense of identity and personal worth and to contribute to the overall good of the community.
