Vocational Education and Training (VET) Information

VET delivered to Secondary Students (VETDSS) is a Vocational Education pathway which can be undertaken as part of either the VCE (scored or non-scored) or VCAL certificates Pathways.

Our VET courses provide the opportunity of achieving a nationally recognised VET Technical and Further Education (TAFE) qualification within the Australian Qualifications Framework.

The Adult based training that students receive reflects specific industry competency standards for each qualification.

Lavalla Catholic College has arrangements in place with a variety of Registered Training Organisations (RTO's) to ensure we can offer a wide range of VET subjects to our students. VET courses may run over 1-2 years.

A key success of VET is the integration of Vocational (occupation focused) options within the traditionally academic studies at the senior secondary school level. Our VET programs allow students to:

- Develop job industry specific skills
- Gain nationally recognised Vocational Education and Training (VET) qualifications and units of competency while still completing their VCE or VCAL Certificates
- Develop employability skills and an understanding of the world of work, and;
- Gain valuable experience to assist with planning and pursuing their career pathways.

The VET Subjects listed on the following pages are indicative of the courses available for 2022 and are subject to change, depending on enrolment numbers and other factors influencing delivery of the course by the RTO.

Eligible Year 10 students may apply for an ON Campus VET Courses as an Enhancement subject only.

OFF Campus VET Courses are available to students in Year 11 & 12.

- **ON Campus VET Courses** are run at Lavalla Catholic College Kildare Campus either as a timetabled class, or 1 day per week.
- **OFF Campus VET Courses are not run at Lavalla Catholic College.**

Note: Parent/Guardians must arrange the student's transport to and from the relevant TAFE campus one day per week (usually Wednesdays or Fridays).

VET subjects run for the full year in both Semester 1 and Semester 2.

There is no mid-year intake for VET subjects

See the OFF Campus VET Course Information for details. Off Campus VET Students are also required to attend the VET Orientation Day in Term 4 if they have been accepted into the subject.

NOTE: Some courses may only offer partial completion.

VCE contribution in each course also differs.

Usually there are no additional school fees charged for students to enrol in a VET subject (excluding uniform requirements or course specific equipment set by the RTO). However additional costs may apply for courses that charge more than the funded amount.

The Parent/Guardian will be required to sign a VET Fee Agreement form in which the Parent/Guardian agrees to reimburse Lavalla Catholic College for any out of pocket cost should the student cease attending the VET subject or exit the College part of the way through the current year.

Student will have the first 3 VET classes to decide to withdraw from the course before the RTO charges enrolment fees.

IMPORTANT:

All VET Enrolments will require a Compulsory Registered Training Organisation (RTO) Expression of Interest (EOI) Form to be completed, signed and returned to Ms Howard (VET Coordinator/VET Careers Advisor) during the subject selection process to register a place in the course.

***Please Note: This does not guarantee a place in the course**

ON Campus VETDSS

VETDSS Courses **ON Campus** are commenced in Year 11 can be commenced in Year 10 (as an Enhancement Subject/by application).

| Area | Course | RTO | Provider | VCE Contribution | Course Duration |
|---|--|------|---|---|-----------------|
|  | *22338VIC Certificate II in Building & Construction | 4603 | Access Skills Training (AST) https://ast.org.au/ | VCE VET Credit | 1 Year |
| <p>Trainer: Mr MacDougall</p> <p>Course Content: The VCE VET Building and Construction program provides students with the knowledge and skills that will enhance their employment prospects in the building and construction industry. The Certificate II in Building and Construction provides partial completion of the pre-apprenticeship program in carpentry. Many students choose this On-Campus VET in Year 10 as part of their VCAL programme.</p> <p>This program provides a pathway into building and construction related trades and traineeships. It is also a pathway for students who wish to pursue University qualifications in Architecture or construction management.</p> <p>Assessed Coursework: Assessment for this study includes two practical tasks, a large group project and written assessment tasks. There are 6 units to complete for Unit 1&2. Construction Industry Card is included in this program.</p> <p>Additional Information: This is a two-year course. 1st year Units 1 & 2 of the Certificate II in Building and Construction are delivered On Campus at Kildare. 2nd year of the Certificate is completed Off campus at TAFE Gippsland (Completed Certificate). Both years of the Course must be successfully completed to be eligible for the qualification.</p> <p>The course is available to Year 10* and 11 students. *An application for this course is required at Year 10 level.</p> | | | | | |
|  | CUA31015 Certificate III in Screen & Media (Creative Digital Media) | 4603 | Access Skills Training (AST) https://ast.org.au/ | VCE VET Scored (Primary Four) ATAR Contribution | 2 Years |
| <p>Trainer: Mr Wilkie.</p> <p>Course Content: This qualification is from the Screen and Media Training Package. It reflects the role of a skilled operator in the film, television, radio or digital media industries who applies a broad range of competencies in a varied work context, using some discretion and judgement and relevant theoretical knowledge. They may provide technical advice and support to a team.</p> <p>The course is designed to provide an introduction to interactive digital media (multimedia), graphic design, audio and video and the digital media industry. You will obtain skills in a variety of digital media software and gain knowledge of the digital media industry. The type of work that will be completed during the course includes animation, a client-based website design and a video-based task.</p> <p>Assessed Coursework: Major Tasks for Units 1 & 2</p> <ul style="list-style-type: none"> • OHS work tasks • Drinks Menu • Website Design Folio TBC BY John W • Video project • A Creative Design Folio <p>Three Major assessment Tasks for Units 3 & 4:</p> <ul style="list-style-type: none"> • Animation Folio • Website Design Folio • Video Project <p>Both years of the Course must be successfully completed to be eligible for the qualification.</p> | | | | | |

| | | | | | |
|--|--|-------------|--|--|----------------|
|  | UEE22011 Certificate II in Electrotechnology (Career start) | 3874 | Educational Living https://www.educationalliving.vic.edu.au/ | VCE VET Credit | 2 Years |
| <p>Trainer: Educational Living: TBC*</p> <p>Course Content: Study in this qualification will ensure students wishing to commence a career as an electrician, gain entry level practical skills. Students will gain an overview of workplace practical skills involving basic hand and power tool use and the necessary knowledge to enter a career in the Electrotechnology industry with confidence. It will also provide an advantage to students seeking an apprenticeship in this area as a preferred pre-requisite for many industries.</p> <p>Additional Information: By application only. - There is a selection process for this course based on each student's current progress within the school's curriculum. This is completed as one full day study per week on-Campus. Students are required to commit to making up in class material due to their absence.</p> <p>Further Information: Delivered at Lavalla Catholic College</p> <p>Both years of the Course must be successfully completed to be eligible for the qualification.</p> | | | | | |
|  | 22470VIC Certificate II in Engineering Studies | 3874 | Educational Living https://www.educationalliving.vic.edu.au/ | VCE VET Scored (Primary Four) ATAR Contribution | 2 Years |
| <p>Trainer: Educational Living: Peter Sheehan</p> <p>Course Content: Certificate II in Engineering Studies is a pre-employment training course that provides students with the practical skills and theoretical knowledge to undertake an apprenticeship in the engineering trades. This course provides pathways within the engineering and manufacturing industries with the possibility of gaining credit towards a Certificate III trade-based qualification when an apprenticeship is undertaken. Over the two years, students will gain exposure to a variety of engineering disciplines such as machining, fabrication, hand/power tools, reading and interpreting engineering drawings, 3D CAD modelling and undertaking engineering projects and design.</p> <p>Additional Information: By application only. - There is a selection process for this course based on each student's current progress within the school's curriculum. This is completed as one full day study per week on-Campus. Students are required to commit to making up in class material due to their absence.</p> <p>Further Information: Delivered at Lavalla Catholic College</p> <p>Both years of the Course must be successfully completed to be eligible for the qualification.</p> | | | | | |

| | | | | | |
|---|---|--------------|--|--|----------------|
|  | MSL30118 - Certificate III in Laboratory Skills | 4603 | Access Skills Training (AST) https://ast.org.au/ | VCE VET Scored (Primary Four) ATAR Contribution | 2 Years |
| <p>Trainer: Ms Howard</p> <p>Course Content: The VCE VET Laboratory Skills program is a 2 Year (Year 11 & 12) VCAA Primary Four / Certificate III qualification that can provide students with the necessary knowledge and skills associated with the day-to-day operation of a laboratory and technical tasks including safety, laboratory maintenance, preparing solutions, sampling, testing, reporting, aseptic technique and Microscopy. The VCE VET Laboratory Skills program consists of 13 Units of competence:</p> <ul style="list-style-type: none"> • Units 1 and 2: Six compulsory units + Two elective units • Units 3 and 4: Four compulsory units + One elective unit * <p>*VCAA Scored Assessment/ Units are scored and contribute to your VCE ATAR</p> <p>Assessed Coursework: Coursework: Theory, Activities, Written Assessments, Assignments, Practical work & Structured Workplace Learning (SWL), SAC's & Exams undertaken during the training program. SAC's: Unit 3 & 4 sequence in the Certificate is a scored assessment students are required to complete 3 SAC's assessed internally, accounting for 66% of the overall Score. Examination: An exam accounting for 34% of the Score is set and assessed externally by the VCAA and taken under examination conditions at the end of the 2nd Year. (ATAR students)</p> <p>Both years of the Course must be successfully completed to be eligible for the qualification.</p> | | | | | |
|  | SIS30115 - Certificate III in Sport & Recreation (Outdoor Recreation 'OR') | 40548 | iVET http://www.iVETinstitute.com.au/ | VCE VET Scored (Primary Four) ATAR Contribution | 2 Years |
| <p>Trainers: Mr Wald or Mrs Robertson</p> <p>Course Content: The VCE VET Certificate III in Sport & Recreation (Outdoor Recreation) provides students with the opportunity to undertake a number of practical activities & outdoor electives. The course aims to develop the student as a leader via theoretical units completed during the course. Students then apply these skills through various practical activities across the two years of the course. Activities such as:</p> <ul style="list-style-type: none"> • Year 1: Bushwalking & Navigation, Surfing, Snowboarding and Skiing • Year 2: Rock Climbing, Canoeing, Snowboarding and Skiing. <p>Undertaking the practical activities enable students to become multi-skilled, thereby enhancing entry to employment and further training across many sectors in the sport and recreation industry.</p> <p>The Certificate III in Sport & Recreation (Outdoor Recreation) enables the students to develop the practical skill that can be used in further study areas such as Units 1 – 4 in Outdoor and Environmental Studies.</p> <p>Students will undertake a number of days out of school due to camps and this needs to be taken into consideration when selecting the course. Compulsory completion of practical days is required.</p> <p>Both years of the Course must be successfully completed to be eligible for the qualification.</p> | | | | | |

OFF Campus VETDSS

All **OFF Campus** VET Courses are commenced in Year 11. Students in Year 12 should consult the **VET Advisor: Ms Howard:** howajen1@lavalla.vic.edu.au

VCE VET Credit: 10% Block Credit Only available for ATAR and VCAL Certificate contribution.

VCE VET Scored: Primary Four Subject Score available for ATAR Contribution and VCAL Certificate Block Credit contribution

| Area | Course | RTO | Location | VCE Contribution | Duration |
|---|---|------|--|------------------|----------|
|  | AHC20116 Certificate II in Agriculture | 0417 | TAFE Gippsland Baw Baw Skills Centre OR Online/Blended Delivery | VCE VET Credit | 1 Year |
| | AHC21016 Certificate II in Conservation & Land Management | 0417 | TAFE Gippsland Forestec/Lakes Entrance | | |
| | AHC20416 Certificate II in Horticulture | 0417 | TAFE Gippsland Morwell | | |

Agriculture:

This qualification is delivered online with scheduled practical skills days and field trips throughout the year. It is ideal for those who wish to start a career in the food and fibre industry, or further develop their skills and knowledge at the assistant farm hand level. Through this course you will learn basic practical skills in fencing, monitoring water supplies, machinery operation, plant and livestock management. Students undertaking this course will gain the practical skills and knowledge required to carry out routine tasks under general supervision within the agricultural industry, and as this course is delivered via online/blended learning, it is ideal for students that are studying VCE or VCAL noting practical sessions will be scheduled during term breaks to minimise commitments during school time.

Conservation & Land Management:

If you have a passion for caring and preserving our environment, then this hands-on course is for you. Learn practical skills in native seed collection and propagation, bushland restoration, native plant and wildlife identification, pest plant control, fencing and maintaining structures, using maps and much more. Pathways may include employment into roles such as assistant land management officer, assistant conservation worker, assistant parks and wildlife officer. Some great skills to last a lifetime.

Horticulture:

If you enjoy taking a hands-on approach to learning, a Certificate II in Horticulture can take you where you want to go. This exciting qualification will take you outdoors where you will develop and practice skills in machinery operation, plant growth, soils, diseases and pests. You'll create and maintain garden beds, and learn vital nursery and orchard skills. Experience all that the horticultural industry has to offer in a fun and practical way.

| | | | | | |
|---|---|------|----------------------------|--|---------|
|  | HLT33015 Certificate III in Allied Health Assistance | 3094 | TAFE Gippsland Warragul | VCE VET Scored ATAR Contribution | 2 Years |
|---|---|------|----------------------------|--|---------|

This qualification reflects the role of allied health workers who provide assistance to allied health professionals and other health professionals with the care of clients.

Depending on the setting, work may include following treatment plans for therapeutic interventions and/or conducting programs under the regular direct, indirect or remote supervision of an allied health professional.

Students complete 80 hours of compulsory placement (in second year of study) and often use this program to pathway into Diploma of Nursing and/or other health disciplines once they complete secondary school.

Student must have had a flu vaccination prior to placement.

| | | | | | |
|--|--|-------------|--|-----------------------|---|
|  | <p>ACM20117 Certificate II in Animal Studies</p> | <p>0417</p> | <p>TAFE Gippsland Morwell, Warragul OR Online/Blended Delivery</p> | <p>VCE VET Credit</p> | <p>2 years 1 Year Online Condensed Delivery Option</p> |
| <p>This qualification is delivered face to face with scheduled excursions over a 2 year period. It is a general qualification, for entry into sectors of the animal care and management industry where workers provide care for animals in workplaces such as animal shelters, kennels, catteries, sanctuaries and veterinary clinics. This program assists students with a passion to work within the animal care sector and as an entry pathway to further study.</p> <p>Online Delivery: This qualification is delivered online with scheduled practical skill days and excursions over one year. This is a general qualification for entry into sectors of the animal care and management industry where workers provide care for animals in workplaces such as animal shelters, kennels, catteries, sanctuaries and veterinary clinics. As it is delivered in an online/blended study mode, it is ideal for students that are studying VCE or VCAL, and require flexible delivery rather than a commitment to on campus attendance</p> | | | | | |
|  | <p>AUR20716 Certificate II in Automotive Vocational Preparation</p> | <p>0417</p> | <p>TAFE Gippsland Yallourn</p> | <p>VCE VET Credit</p> | <p>2 Years</p> |
| | <p>AUR20716 Certificate II in Automotive Vocational Preparation</p> | <p>3829</p> | <p>Apprenticeships Group Australia Campus TBC</p> | | |
| <p>A pre apprenticeship for students in the automotive industry will provide students with an overview of service and repair. Students will learn the fundamentals of automotive vehicles, how to service and repair minor faults on automotive vehicle engines, transmissions, suspensions, steering, brakes and electrical systems, and components. This course is also a valuable step towards gaining an apprenticeship in the automotive industry.</p> | | | | | |
|  | <p>CHC22015 Certificate II in Community Services</p> | <p>4181</p> | <p>Community College Gippsland Online</p> | <p>VCE VET Credit</p> | <p>2 Years</p> |
| <p>There are lots of people in our community who need support to thrive - older people, people with a disability and children in an early learning environment. These are growing industries with great opportunities to build a rewarding career and make a real difference in people's lives.</p> <p>You will have the opportunity to develop skills and knowledge for work in aged care, disability support AND child care roles, giving you the chance to see what industries you like most.</p> | | | | | |

| | | | | | |
